

Froli Levelling Systems

Designed and made in Germany, Froli Levelling Systems stand for quality, durability, excellent performance and safety.

FROLI'S INNOVATIVE ROUND WHEEL LEVELLER CAN DO MORE THAN ANY OTHER!

The Round Leveller from Froli provides continuously variable height adjustment up to a maximum of 8cm.

Perfect load distribution, the round wedge cannot slip away and no other backup is required for this leveler!

450-07002
