S9 FHD LED TV RANGE

*Entertainment without limits
built for life on the road*

Smart TV with  Google TV

Experience cutting-edge entertainment on the go with the S9 Caravan Smart TV range.

Featuring a Full HD LED panel (1920x1080) for vibrant visuals and Google TV via the included Smart Stick for easy streaming.

OTA updates keep your apps and firmware current, while the Vibration Smart design ensures durability on the road.

Powered by 12V and 240V systems, with a 240V adapter and 3M 12V cable included. Plus, the built-in soundbar offers rich, room-filling audio with powerful bass and clear highs.

The S9 is the ultimate TV for your RV adventures.
