

MaxxFans

NOW AVAILABLE AT COAST

MaxxAir have been manufacturing ventilation systems for the US RV market since 1988. Four fans are now exclusively available through Coast to Coast – the MaxxFan Plus and the MaxxFan Deluxe, both of which have a manual opening option or an electric opening option. They also feature a ceiling mounted control panel that is easy to use and read. RV ventilation has never been easier than with a MaxxFan.

FEATURES

- Removable flyscreen - simply twist the L-clamps and remove for cleaning!
- Installs into all standard 14" x 14" (356mm x 356mm) roof openings
- Powerful 10-speed fan motor
- The fan can run even if the lid is closed (select Ceiling Fan Mode) and can be used in "intake" and "exhaust" modes
- Provides for the extraction of over 25m³ of air per minute, keeping your RV cool and comfortable
